PROFESSIONAL SUMMARY

Tendering Executive with 2+ years managing end-to-end bid lifecycles for Government, PSU, and Defence procurement across GeM, CPPP, IREPS, and state e-procurement portals. Skilled in RFP/RFQ analysis, eligibility and PQ evaluation, technical and commercial bid preparation, and compliance matrix development. Experienced in administering EMDs, bid securities, and PBGs, and in coordinating OEMs, vendors, and cross-functional teams to deliver compliant, on-time submissions through to post-bid evaluation and contract award.

PROFESSIONAL EXPERIENCE

Tendering Executive **July 2026 – Present**
Dinesh Engineers Limited *Gurugram*

- Manage the end-to-end tender lifecycle across Government, PSU, and private-sector procurement opportunities, from opportunity identification and evaluation through bid submission.
- Analyze RFPs, RFQs, and tender documents to evaluate scope, technical specifications, eligibility/PQ criteria, commercial terms, and overall bid feasibility.
- Prepare and compile technical and commercial bids, compliance matrices, capability statements, and supporting documentation while ensuring alignment with tender requirements.
- Manage tender activities across GeM, CPPP, IREPS, and state e-procurement portals, including bid submissions, pre-bid queries, corrigenda, amendments, EMDs, bid securities, and PBGs.
- Coordinate with internal teams, OEMs, vendors, and clients for technical inputs, pricing, and documentation, while supporting post-bid evaluations, commercial negotiations, and contract award activities.

Tendering Executive **June 2024 – June 2026**
Earnest Tactical Solutions Private Limited *Gurugram*
Managed the complete end-to-end public procurement lifecycle for government and defense contracts, driving cross-functional bid preparation, portal administration (GeM/CPPP), and post-award compliance.
